

Deadly Decisions

Analysis of accident data has revealed the mistakes that lead to accidents. Decision making is one of the most critical. We'll review each link in the accident chain of some past accidents and show pilots how to avoid them. Join us to learn from the mishaps of others making you a safer pilot. Please click on the link below to register for this event on-line!

Directions: Please see map link for directions, seminar will be in the York Aviation Main Building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
